Goal: To provide scholarship/freeship to students who lost one of their earning parents or suffered huge financial loss(loss of jobs/business/sudden medical emergency) during this Pandemic period. So that they can continue with their academic courses.

The context: Many students had lost their only earning member to this widespread pandemic. Even many parents lost their jobs because of this pandemic situation.

The practice: Students with no earning member in their family due to the pandemic were provided scholarship/freeship to complete their studies.

Evidence of success: Students suffering from acute financial losses or personal losses benefited from this practice could continue with their studies.

Problem encountered and resources required: The list of such students was very long and the authenticity of the problem had to be verified before providing these scholarships/freeship. A committee of faculty members & alumni was formed to interview all the candidates after their application & the final list of the students were made.
