

Date: 6th August, 2019

Notice for Study Abroad Programmes and 3 Continent Programme

UEM will organise a Foreign Conference/Certification and Study Trip to Singapore (depending on number of students interested and obtaining travel visa) in 2019. During this tenure the students will be attending educational programmes like short term courses on latest technologies/conferences/workshops in reputed educational institutes in Singapore. After completion of the educational program, the students will be awarded participation certificate by our foreign collaborator which will carry as the academic credits as a part of the Curriculum of the University. Students who are interested to be a part of this educational tour can contact the following members and give their names with a passport size photograph, ID proof, Father's name, phone number **within 31st August, 2019**.

Benefits:

- Special Certification modules delivered by the Industry experts and Leading foreign faculty.
- Industry/Lab/University Visits.
- Extensive Live Projects.
- Excellent exposure, cross cultural orientation & sensitization on the foreign economies, societies..
- Familiarization with industry dynamics and trends on a global scale.
- Paper & Poster Presentation in reputed international conferences.

Singapore - Fees Rs.1,00,000/- approx to be paid to the foreign partner institutes.*

Inclusions - Tuition Fees + Hostel

Exclusion - The fee does not include Air Tickets, Visa Fees, Meals Charges, Medical Insurance charges, Local Bus and Train Travel tickets, Phone Sim cards, Charger plugs, or any other out of pocket expenditure which may be borne by the students.

*Those students who have already paid for foreign study programmes and sponsored students need not pay the foreign partner fees.

Foreign Study Grant – upto Rs. 1,00,000/- available to students on merit basis per Study Abroad Programme.

Dates – Singapore – 6th to 12th January, 2020.

Faculty members will accompany the students to ensure the best academic experience in the Study Abroad Programmes and 3 Continent Programme.
