The gaming event organized by the college gaming community was held on uemj basement. Attendees were welcomed by the event organizer and the rules and format of the pubg game were explained. Teams were formed via a random selection process to ensure fairness and gameplay commenced with teams facing off against each other in several match. A break was taken for snacks and refreshments, after which gameplay resumed until the winning team was determined. Prizes were distributed to the winning team members and the event organizer thanked everyone for attending and reminded them of upcoming events. No action items were recorded, and the next gaming event was announced.
